A simple design for a simple function. The Wheel Chock holds a bicycle upright, so you can more easily inflate tires or make minor adjustments. Available in a floor mount and repair mount option to work wherever you need it. The stylish cut-outs on the sides of the Wheel Chock provide a visual indication of what it’s for.

**Product Specifications**

- Supports bikes without kickstands while inflating tires
- Tire friction stops roll-back, upright position eliminates trip hazard
- Accommodates tires up to 2.75” and wheel diameters up to 29”
- Cannot lock bikes to the Wheel Chock
- ADA compliant
Wheel Chock

Recommended Setbacks

- Minimum of 41” from side of Deluxe Public Work Stand to wall or other objects
- Minimum of 47” from back of Deluxe Public Work Stand to wall
- Minimum of 60” from an adjoining street or cycle path
