

BIKE TRAC PARKING SYSTEM

Model #6103 & 6106 Mounting Instructions

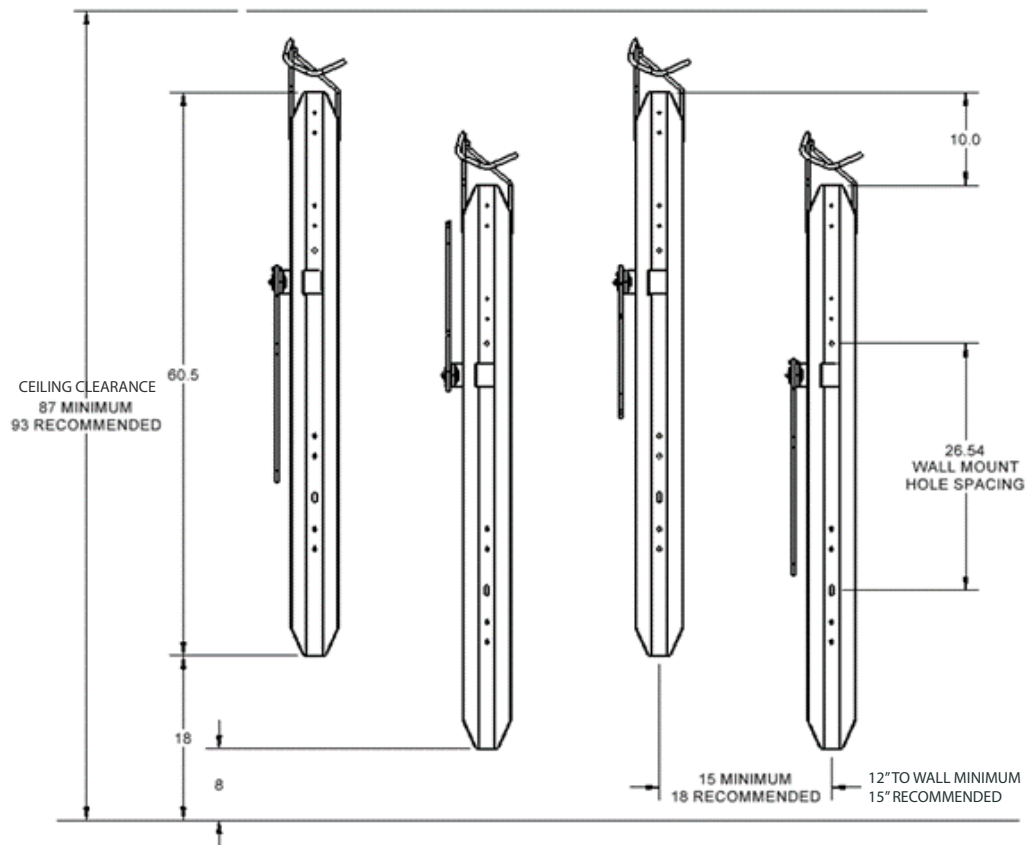

Product shown 6106 with pivoting lock bar

48" recommended aisle spacing

Mounting Bike Trac

The Bike Trac can be mounted to any wall, corner, pillar, or post strong enough to hold the bikes. Mounting hardware is not supplied. Before mounting to any surface consult your local hardware store for applicable hardware. Mounting of the Bike Trac to a solid surface is critical and beyond the control of the manufacturer.

Warranty

We warrant this product to the first consumer to be free from defect in material and workmanship for a period of one year from date of purchase. (Please retain your sales slip for your records.) Any product or part thereof found to be defective within that period will be replaced without charge provided that: (1) the product was not misused; (2) no alterations or modifications were made; (3) its failure resulted from a defect in material or workmanship and not from normal wear expected in the use of the product; (4) the product or part is delivered, freight prepaid, to Saris Products. Manufactures only obligation shall be to replace such products or parts proved to be defective.
