

POWER POST

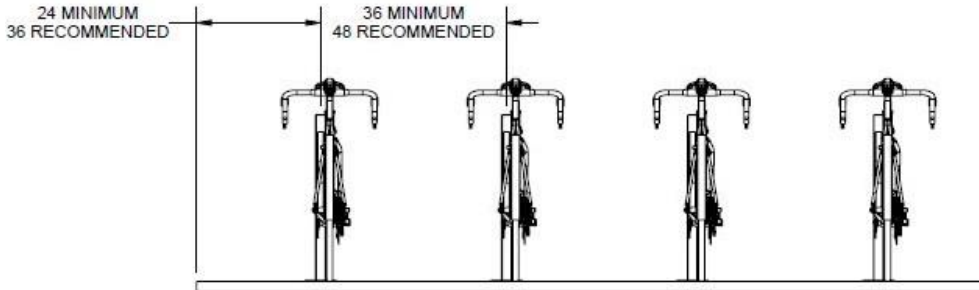

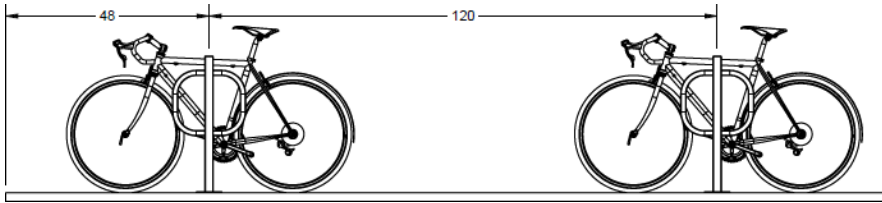

The Power Post brings the power directly to the bike. A Post and Ring style rack with built in power outlets allows charging for up to two eBikes simultaneously allowing you to securely lock the bikes and keep your batteries full and ready for riding.

Product Specifications

- Two built in grounded outlets for charging eBikes
- Access port near bottom for electrical plumbing
- Full rectangular tube construction to deter pipe cutters
- Accommodates two standard or electric bikes
- Meets APBP bike parking guidelines
