The Post and Ring rack provides a modern look for bike parking with a small footprint and only one installation point. With its square tubing, the Post and Ring is the perfect blend of high security and easy installation.

Product Specifications
- One point of installation and small footprint on the sidewalk
- Full square tube construction
- Accommodates two bikes
- Meets APBP bike parking guidelines
Our Saris Infrastructure representatives can assist with custom layout and spacing to meet your room dimensions and desired bike capacity.
